Washburn 2nds Beat Wentworth.

For the first time in three years a Wentworth football team met defeat Friday afternoon when the Washburn second team gave the cadets the little end of a 6 to 3 score. The Kansans scored in the first quarter and the cadets in the second. The new division of the game into quarters instead of halves was not thought by the spectators to be an improvement.

It was evident that Coach Ristine will have a hard job this year to develop out of his green material anything like the scoring machine which has represented Wentworth in the past few years. The soldiers had a repertoire of only five plays and only two men, Lill and Campbell, could make much headway with them. The Wentworth line outside of Butler was woefully weak and the Washburn forwards frequently broke through and nipped plays in the bud. Martin and Sunderland, who got in at the last stages of the game, showed up best for the new men.

For Driver's aggregation Smiley and Leland did the star work. Smiley made a beautiful 75-yard run from a punt.

L. H. S. "Hangs" It On Their Old Rivals.

Before a good sized crowd at Higginsville Friday the Lexington High School trounced their old rivals, the Higginsville High School by a score of 16 to 3. The first quarter neither side scored. In the second the Lexington boys pushed the ball over for a touch down while Higginsville got a field goal. In the last two quarters Lexington out played their opponents in every department of the game. About 100 Lexington High School students witnessed the game and did much toward winning the game by the spirit they displayed at all times during the contest.
